I. Lecture

Note: 0 is the lowest and 5 the highest.

	Evaluation
Lectures were well prepared and followed the syllabus.	
Course materials were relevant to lectures.	
The method of instruction provoked critical thinking and increased my interest in the subject.	
The lecturer encouraged questions and organised the discussion well.	
Courses were well structured.	
I gained important and meaningful knowledge.	
Performance and examination requirements were clearly indicated.	
The lecturer was professional and had a broad range of knowledge and experience.	
I was able to contact the lecturer if I had questions out of class hours. The lecturer was helpful and kind.	
The lecturer's level of English allowed for a good communication.	

Do you have any further comments about the course?
